For the past two years, Harrah's Resort Southern California (HRSC) has supported the mission of Code 3 for a Cure (C3FAC) through various fundraising initiatives and charitable contributions.

This year, HRSC will be contributing 100% of the proceeds from its August blackjack and slot tournaments to C3FAC.

Says Lorenzo Abundiz, C3FAC President, "It is

only through support such as this that C3FAC can continue in its mission to support firefighters across the country who are battling cancer. We are grateful to Harrah's Resort Southern California, and are pleased to have them on board as a supporter of our cause."
