

BECOME A CORPORATE HERO

Thank you for considering the Code 3 for a Cure Foundation as a cause to support. Code 3 for a Cure is a national nonprofit 501(c)3 public charity relying solely on the generosity of individuals, groups, and organizations to achieve its purpose. There are numerous benefits to becoming a sponsor of the Code 3 for a Cure Foundation beyond the satisfaction you will feel in knowing you have helped some of America's finest heroes in their time of greatest need, and the tax deduction you will achieve as a result. In the chart below, we present a variety of options for sponsorship. The level of return in terms of advertisement and promotion is in direct proportion to the level of sponsorship selected. We hope you will consider joining together with us to help cure the effects of cancer by helping one group who, statistically, is one of the most heavily afflicted by it.
